

Greetings!

Jose Llana, M.D.

**3B Medical Welcomes Jose Llana, M.D.
as National Director of Sales**

Dr. Jose Llana has been appointed as 3B Medical's National Director of Sales. Dr. Llana left private practice to enter into the Medical Device and Pharmaceutical industry. As a Territory Manager with Phillips Healthcare, Dr. Llana regularly received Phillips' Territory Manager of the Year. With a wide and expansive background in homecare and hospital respiratory products, Dr. Llana is a valuable contribution to the 3B team. Dr. Llana is happily married with a beautiful family of 5 children and 2 grandchildren. You can reach Jose at jllana@3Bproducts.com.

**New Customizable Exception Handling
Added to iCodeConnect**

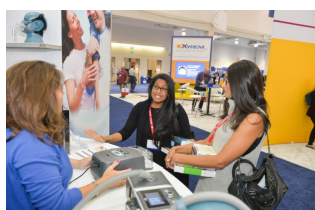

3B Medical introduces custom filtering and exception handling to iCodeConnect. iCodeConnect's new features help DMEs and Clinicians automatically identify patients with compliance issues earlier in the process. Set reporting criteria and receive customized reports with problem patients. The new features are available free of charge to all iCodeConnect users.
